WEEK BEGINNING 27.11.2023

THIS WEEK'S LEARNING

Dear Nursery Parents and carers,

This week we will start reading *Dear Santa* in preparation for the festive times that are fast approaching.

now > press > play

We will also use the Now Press Play immersive educational resource to engage in a dynamic adventure. Whilst listening to *A Christmas Story*, the children will have the opportunity to enhance their learning through imagination and role play.

We will continue to test our ideas whilst conducting some science experiments, looking at what materials are waterproof and how we can free our toys which are trapped in massive ice cubes.

This week on **Thursday 30th November** our fourth group will be going to the local Co-op where they will get all the necessary ingredients for this week's cooking. On their way there, the children will observe the local area, take pictures using the Ipad and discuss any familiarity.
