## Star Moments

This term we are modelling  
**INDEPENDENCE** and  
**COPING SKILLS**.

2S: Antonina, both I am your Mum are so proud with how much ownership and independence you are taking towards your homework. Your consistent hard work is paying off and I can see such an improvement with your Maths and English! We are super proud!

2V: Yaqub, what a star you have been. All week, I have seen how brilliant you have been at listening to instructions. This has led to you becoming more independent during your Maths workbook task. I am very impressed, keep it up!

2P: Yasin! You have really grown in your coping skills particularly in the last few weeks. Starting a new school can be challenging but you are settling in much better and also much better at communicating how you are feeling so that you can choose the right option to cope with your emotions. Keep this up! I am proud of you!
