This week's learning...

Shared Reading: Reading Michael Morpurgo's 'Friend or Foe', we will continue to make cross-curricular links with our WW2 History topic, this week focussing on our inference and deduction skills.

English: The children will start to draft and create their own blog from the perspective of a WW2 soldier. This will be linked with our computing outcome and we will be producing our blogs on Google Sites.

Maths: We will be consolidating our multiplication unit this week, including multiplying by one and two digit numbers.

History: We will be completing a 'Now Press Play' interactive session involving evacuees during WW2. This will involve being part of a WW2 family and role playing an evacuation to the countryside to live with a stranger.

R.E.: We will be exploring how Christian people around the world celebrate Christmas in different ways.

Science: We will investigate how pulley and lever systems work.

D&T: We will be constructing our WW2 vehicle.

Spellings will be put on the Google Drive on a Monday.
Spelling Test will take place on a Friday.
