STAR moments

Last week's Golden Lunch was awarded to:
6P: Vy 6H: Raisha 6R: Murilo

This week's Happy Leaves are awarded to:

6P: Maira, for working very independently during our Maths lessons. Maira has been working extremely hard to master the skill of long division; she continuously consolidates her learning on a daily basis and always tries her best. Keep it up Myra!

6H: Ana Sophia, for her fantastic independence and hard work during our Myth Stories writing. Ana Sophia shows that she is capable of editing and scrutinising her own learning in order to improve it. Well done, Ana Sophia!

6R: Shaynul, for his amazing independence and maturity throughout everything he does. He is superstar across all areas of his learning and one of the most conscientious children I have ever met. Well done Shaynul!

Our topic this half term is...Media Mayhem

This week is our first Mock SATs week, we will be completing our Reading Assessment, Grammar & Spelling Assessment and Maths Assessment (Arithmetic and Reasoning) to find out how to further support your child's learning and to prepare them for their SATs exams in the Summer Term.

To ensure that your child is prepared for the test, please ensure they complete their revision packs (homework), get plenty of sleep every night, be at school on time and bring in a bottle of water.

Also this week...

In Science, we will carry out and evaluate an experiment to see how changing the wire in a circuit affects the brightness of a bulb.

In History, we will use sources to find out about daily life in Ancient Greece.

In RE, we will investigate important religious leaders in the world. We will also compare and contrast religious leaders across the world.

In D&T, we will design our building thinking about materials, waste and how to maximise the materials we use.

In Computing, we will explore to understand actions which could be identified as criminal activity, we will also explore techniques used for persuasion and build resilience through critical thinking. Finally, we will look into how to access support from trusted individuals and organisations.

Don't forget!

P.E is on Thursday so you need to come into school dressed in your P.E. kit with black trainers!

On Fit Fridays, you need to come into school dressed in your Fit Friday kit with black trainers!

Cut your carbon!

We will be taking part in 'Cut your carbon' month for November. Scan the QR code for more details!

Over to you...Homework

This week, you will be given SATs Companion logins to keep at home. If you haven't done so already, begin to use SATs Companion regularly to develop and improve your Reading, Grammar and Maths. You could start by consolidating some Year 5 topics and then move onto Year 6 topics. Your teachers will be assigning tasks for you to complete. <https://app.satscompanion.com/login>
